

UA/Sait Thin Cutting Wheels

UA/Sait Thin Cut-Off Wheels Type 1 .045 A60S

For general purpose cutting of all ferrous metals. Extremely fast cutting and long life. UA 23101 is the industry standard for fast cutting ferrous metals with a 4-1/2" grinder!

Thin High Speed Cut-Off Wheels Type 1 .045 A60S

UA/Sait Thin Cut-Off Wheels Type 1 .045 A46N

For aggressive cutting without loading of aluminum and other non-ferrous metals.

Thin High Speed Cut-Off Wheels Type 1 .045 A46N

UA/Sait Thin Cut-Off Wheel Type 1 .045 Z-Tech

For high performance cutting on ferrous metals, stainless steel and high tensile alloys. Utilizes a special zirconium grain formula for fast, non-binding cutting.

Thin Cut-Off Wheel Type 1 .045 Z-Tech
